

Caretakers
for tomorrow

Turn the page over and fold each corner to the opposite corner

Open and then fold all corners to the centre of the paper

Now it should look like this

Turn over so the folds you just made are face down

Fold the corners to the centre of the paper

Turn it over. Your paper should look like this

Fold in half vertically and horizontally

Slip your thumbs and forefingers under the corners

Finished!

REDUCE
YOUR USE

How water wise are you?

1
How long should you take a shower for?

2
What should be at the end of your hose?

8
How much water can a running tap use per minute?

Four minutes
About half a bucket (5 litres).
Make sure you turn it off

Trigger nozzle
Before 10am and after 6pm

3
When is the best time to water the garden?

7
What is greywater?

Water that has been used in the bathroom and laundry (not toilets)
Half a bucket (5 litres)

Three litres
Put a container under it to catch the drips for plants and fix ASAP

4
How much water is saved by using the half flush toilet button?

6
How much water do you save by brushing your teeth with the tap off?

5
What should you do if you find a leaking tap?
